LIBERTY CENTER, INDIANA

Graduates:

Let us look, as you must during life's busy time table, into the reflecting mirror of the past to catch a glimpse of the ever-too-often forgotten past. As you strain your youthful eyes may you enhance your vision with spectacles of learning, enjoyment, friendship, sincerity and growth of personality.

As you turn from this image to face the challenge that God has laid before you; may your experiences of the past linked to the wealth of knowledge you have stored, bring a happy victory. May you become the ones who will lead our world to an even brighter and reflecting life; so that in the future, the image cast in mirrors will glow with success.

The Best of All Good Things,

John C. Talarico
